

Here is a sample set of vampire hunter card ideas for the Suck! foreplay game:

Frozen Holy Water

You captured a vampire and want to cure their hot blood lust. Creatively stroke their exposed erogenous zones using frozen holy water (ice cube) to tease and torment them for your pleasure. Add (heart) or they remove (fang).

Cold Hearted

Prove your vampire strength. Crawl on top of the vampire hunter chasing you. Creatively melt frozen holy water (ice cube) on your body and let the fluid drip in their mouth or make them lick it off. They remove (heart).

Discipline Your Disciple

Send your vampire hunter disciple to the Church for discipline and training. They must reveal in detail the nastiest, kinkiest thing they have done or thought of doing. Bare their butt cheeks then paddle or spank them until they beg for mercy. They add (heart).

Carnal Confessions

Move to the Church if not occupied. Describe in erotic detail a nasty “vampire induced” BDSM sexual fantasy to cleanse your soul. When the confessor believes you’ve revealed enough, add (heart).

Silicone Stake

If accessible, use a dildo to penetrate the vampiress ultra slowly add (heart) - self masturbation counts. Use holy lube as required. If her pussy is not yet exposed, she removes one article of clothing and adds (fang).

Pole Polishing

Take out the huge man stake and massage holy lube all around it. Polish it by hand with loving caresses until it is hard and glistening. Leave it displayed to frighten vampires. Add (heart).

Innocence Lost

Go to the Church. Perform something sexual that is dirty, kinky or nasty to demonstrate your deviant desires to the resident exorcist. They lose (heart).

Demon Diddler

Send the vampiress to the Dungeon restrained in a position of your choice. Tease and torment her by playing with her nipples and using your fingers to explore her inner sanctum. Add (heart) or reduce her (fang).

Candle Ceremony

Take your captive vampire to the Church and arrange them in a suitable position. Drip holy candle wax onto their naked skin. Add (heart) or they remove (fang).

Burning Cross

Send your captive vampire to the Church. They stand still with arms outstretched in the form of a cross. Like a flame, use your hot flickering tongue to lick from their feet up their legs and around their body. Add (heart) or they remove (fang).

Trembling Touch

Send your captive vampire to the Church blindfolded and restrained. Use a vibrator to tease sensitive regions all over their body. Make them tremble anticipating each touch of your tool. Add (heart) or they remove (fang).

Protective Plugs

Send someone to the Church for protection. They receive your expert insertion of a butt plug using lots of holy lube. They add (heart).

Sacred Symbols

Send your apprentice to the Church. Strip one article of clothing from them. Use an artist brush to sensually stroke symbols (crosses, swirls, letters) on exposed erogenous zones. Add (heart).

Lust Lure

Go to the Tomb. Strip one article of clothing and apply some perfume or cologne on various parts of your body to lure a vampire into your trap. Add (heart).

Sacred Secretions

Bring the divine, demure miss to the Church. Sensually massage her labia and vaginal opening until her sweet fluid of purity flows freely on your fingers. Savour this special vampire antidote. Add (heart).

Special Handling

Go to the Church if unoccupied. Apply holy lube to a glass "vampire killing" dildo and demonstrate how to handle it like a pro using just your hands. Add (heart).

Valiant Volunteer

Send a volunteer to the Church. Using a dildo or butt plug with holy lube, practice repeated insertion of the stake. Try different types of instruments and techniques as desired. Add (heart).

Hard Lessons

Send the female hunter to the Church. Expose and position her so you can use a glass dildo to demonstrate effective insertion techniques. She adds (heart).

Stake In/Out

The male hunter reveals his man stake. Move the vampiress to a location in front of him. Defiantly she suc-cums to his penetrating shaft but slides it into her body where she wants it. She repeatedly thrusts the stake in and out. Add (heart) or she removes (fang).

Titillating Taunts

Go to the Dungeon. Select a titillating tool (any sex toy) and describe in erotic detail how you intend to use it. Make the vampires tremble with your taunts. Add (heart).

Explore The Bat Cave

Go to the location behind the vampire you are hunting. Position them on all fours and expose their backdoor entrance. Explore their bat cave using a lubed finger to add (heart) or with your tongue to add (heart) (fang).

Cross Wise

Send the lady hunter to the Church. In a missionary position with her legs spread wide, you both form a cross to practice your thrusting techniques (simulate if still clothed). Both add (heart).

Top Talent

Send the male vampire to the Castle. Laying face up, the lady vampire hunter straddles him. She thrusts and grinds on the stake between them (simulate if still clothed). She adds (heart) or he removes (fang).

Strap On Stakes

The lady vampire hunter goes to the Dungeon and puts on her strap on stake. She adds (heart). A vampire willing to accept the stake (orally, anally) adds (heart) otherwise removes (fang).

Laying of Hands

Move to a location behind a lost soul under mind control of a vampire. Standing behind them, fondle and caress their body to stimulate their senses and awaken their desires. Add (heart).
